Clark (Dem.) is elected Chief Justice, defeating a desperate opposition. He was scratched by about 4,000 voters. The Legislature and State Senate will be overwhelmingly Democratic and will elect Gudgeon and giving North Carolina a Democratic delegation in the House of Representatives.

**ARKANSAS ELECTED THEIR TICKET WITH A VERY LIGHT VOTE.**  
Little Rock, Ark., Nov. 4.—Information from all parts of the State received here to-night by the congressional committees of the two parties show that a very light vote was cast in the State, and that the weather and lack of interest in the election, a complete Democratic congressional delegation is returned and the greater number of the counties the local Democratic tickets were successful.

The Republicans did not take any hand in the contest apparently and there was little doubt as to the result.

**McGUIRE TO SUCCEED FLYNN.**

**AN UNPLEASANT EXPERIENCE.**  
Has it ever been your unhappy lot to be told by your physician that you must go to a hospital and submit to an operation? If you remember what with dread and shrinking you awaited the day when you must undergo the knife. The present danger appears to be passing. The number of the profession do not recommend this "last resort" unless they honestly believe it necessary. The fact remains that much needless suffering is done, and the patient put to the test of a temporary relief; these words are used advisedly, because in nine cases out of ten the affliction returns and the patient is just where he started from. Oftentimes he could be cured much more simply and easily by the use of such a remedy as the Pyramid Cure; this has come to be recognized as the best remedy on the market for the painful disease named, and the druggists now sell more of it than all other pills combined. The writer personally knows people who were afflicted with the worst form of bleeding and protruding piles and who were permanently cured by the use of the Pyramid Cure. Every one of these cases the attending physician had assured the sufferer that only by an operation could he rid himself of the disease; so much for the infallibility of the doctors. This remedy, which is sold by all druggists at the low price of 50 cents, is in support of the fact, applied directly to the parts affected, and performs its cures in a few days. The Pyramid Drug Company, Marshall, Mich., will mail free to any address a book telling all about this cure, its cause and cure.

A suggestion is offered that if the reader is afflicted, or knows anyone who is, this book be sent for, as it will be found invaluable.

SUMMARY OF YESTERDAY'S ELECTION

The elections yesterday were virtually a great triumph for Democracy. They reflected an ebbing of the Republican wave of success and an unmistakable trend toward Democracy.  
Greater New York broke the record of fifteen years by piling up a Democratic plurality of about 122,000 and reducing Odell's heavy plurality in the State to 2,000. Connecticut has gone Republican by probably 15,000, and it is likely that not only has Mr. Lilly, the Republican candidate for Representative-at-Large, been elected in spite of his connection with the Beef Trust, but that all the four districts have been carried by the Republicans, and the Legislature is safely Republican, insuring Senator Spooner's return to the Senate.  
There have been heavy Democratic gains in Massachusetts, but the Republican State ticket has been elected by a fair majority.  
Maryland, which now has six Republican Representatives, has elected four Republicans and two Democrats.  
Delaware has probably been carried by the Democrats. The Legislature is close, but it is believed the Democrats will control and elect two United States Senators.

**ALABAMA.**  
Bryan carried the State in 1900 by a plurality of 47,374.  
**CONGRESSIONAL DELEGATION.**  
Nine Democratic members were returned to Congress by the voters of Alabama, as follows, all being re-elected: Taylor; Second, A. A. Wiley; Third, Henry D. Clayton; Fourth, Sidney J. Bowie; Fifth, Charles W. Thompson; Sixth, Benjamin H. Bankhead; Seventh, John I. Burnett; Eighth, William Richardson; Ninth, Oscar W. Underwood.

**SMALL VOTE AT PINE BLUFF.**  
**REPUBLICAN SPECIAL.**

**GOVERNORSHIP LEFT IN DOUBT.**  
**Democratic Candidate Is Running Ahead of His Ticket.**

San Francisco, Nov. 4.—At 10 o'clock to-night only a few scattering returns had been received from the city and State. These indicate that the governorship is very doubtful.  
Lane (Dem.) is running ahead of his ticket. He will carry the city of San Francisco by a large plurality. The State ticket is running close. The Legislature will probably be Republican.

**TELETYPE PROBABLY SAFE.**  
Republicans Carry Everything but the Legislature in Colorado.

**CONNECTICUT.**

**KANSAS SWEEP BY REPUBLICANS.**  
**Democrats Lost One Congressman and Failed to Elect State Ticket.**

**REPUBLICAN SPECIAL.**  
Topeka, Kan., Nov. 4.—The meager reports from a few counties in all the congressional districts indicate the certain election of all Republican tickets. The Republican State Committee claims the election of the State ticket by 25,000 plurality.

The new ballot is confusing, and it is estimated that 25,000 out of a possible total of 300,000 votes will be thrown out because of incorrect marking.

The Kansas Republicans have elected the entire State ticket and all the eight Congressmen. Bailey for Governor will have a large majority. The Legislature will be safely Republican, though possibly the majority will be small.

The Democrats did not expect to elect the State ticket, but were surprised when W. H. Crook, who had been Governor, did not run better than he did. W. J. Bailey, the Republican candidate for Governor, ran ahead of his ticket.

**CONGRESSIONAL DELEGATION.**  
Republicans have gained one member of Congress in Kansas by the defeat of the Fusion candidate in the Third District. The new delegation follows: At large, Charles F.
